

Press Release...

Westrux International, Santa Fe Springs, CA has been selected COE honoree for dedication and service to the International brand

Los Angeles, CA (January 20, 2010) – Navistar, Inc., the manufacturer of International® brand commercial trucks, recently honored Mr. David Kenney, Dealer Principal of Westrux International, Santa Fe Springs, CA as one of the International Truck Dealers, Circle of Excellence award winners for 2010. This is the fifth time Westrux has received this prestigious honor. Navistar annually presents the International Truck Dealer COE award to only the top thirty Truck dealers in North America.

The Circle of Excellence program was established to honor those International dealerships that achieve the highest level of performance in terms of operating and financial standards, market representation, and most importantly, customer satisfaction.

The winners of the COE award must be exceptional in all facets of the truck distribution business, including sales, parts and service. The COE dealer is also characterized by his or her distinguished level of investment back into the business, including investments in personnel, business processes and facilities. This annual COE Dealer honor is given to the very best of an elite group of International dealers.

For more than 16 years, David Kenney has demonstrated exceptional commitment to his customers, his employees and the International brand. Navistar chose Westrux International as one of the COE award winners because it has been a constant high performing International Truck dealer for sales and after market support. Westrux has also been selected as one of a select few International Dealers globally to offer the all new 100% electric, eStar commercial van.
